1. Discussed Dibels data. Kindergarten coming in at an all time low. Kids aren't ready for Kindergarten.
2. Discussed Century Elementary's B grade. Benchmarks are concerning as many of our students aren't proficient.
3. Discussed SAGE Results. Sub groups are concerning as percentages are very low in some cases.
4. Discussed results for comparing our school to other "most like" schools.
5. Discussed our goal of raising the "level of engagement" as teachers instruct his/her students. Giving students more opportunities to respond and being held accountable for his/her own thought process.
6. Discussed visiting/contacting "most-like" schools to find out what is working for them.
7. Need to possibly buy another chrome lab to replace the out-dated one, and add the wording "headphones/mice" to Trust lands.
